

COVID 19 Response Plan June 22, 2021

****PATIENTS PLEASE READ BEFORE ENTERING****

- 1) Any patient wishing to be COVID tested may receive the test. State Lab testing is free.
- 2) Initiate a Stitches telemedicine visit (www.stitchescare.com/telemedicine) or download our app on Android or IOS to check-in via ZipPass and initiate e-registration. Call **307-514-9888 (CHEYENNE), 307-721-1794 (LARAMIE), or 970-825-7820 (WELLINGTON)** when you arrive at the clinic. Please wait in your car until it is your turn to be seen.
- 3) All people who enter our facility must wear a surgical face mask and wash their hands for a minimum of 20 seconds with soap or use hand sanitizer after entering.
- 4) Any surface a patient touches will be decontaminated. This includes clipboards, pens, chairs, and counter-tops.
- 5) Anyone tested for COVID 19 is to self-quarantine until results are received.
- 6) Results take 2-3 days to receive. People with high suspicion may receive a rapid test, but this is at the discretion of the provider and the availability of the tests. If you are traveling, please know the test requirements for your trip. If you need a copy of your results for travel or return to work, please request it at info@stitchescare.com after we inform you of your results.
- 7) If you develop chest pain or shortness of breathe, please call 911 or go directly to the ER.

Thank you for choosing Stitches!
